

5-star service winners Again!

Amazing SIPP and SSAS
service that never stops.

We would like to thank everyone who has supported and voted for us this year. It's an honour to receive our twelfth 5-star service award along with the Readers' Choice award - recognising that we provide the service clients need and advisers expect.

Thank you for your vote.

We've always been focused on delivering exceptional service and flexibility - reacting to changes in the marketplace and making it easier for you to do business. It's why we're delighted to announce that we've been awarded our twelfth 5-star and the Readers' Choice award at the Financial Adviser Service Awards.

These awards are voted for by IFAs and we are the only bespoke SIPP provider to receive twelve 5-star service ratings over recent years. It's what makes us self invested pension specialists.
